

# Spray dispenser 800 ml POUCH plastic

## Spray dispenser POUCH 800 ml plastic, PQSpray9P

Chances are that while you are reading this, somewhere in Europe someone is disinfecting his hands with a PlastiQline spray dispenser. This durable and practical spray dispenser is used every day by a variety of users. The plastic spray dispenser of PlastiQline is intended for pouches. If you would rather use a refillable reservoir for spray soap or alcohol, we can also equip the spray dispenser with it. That is the flexible functionality you know from PlastiQline. It is no coincidence that this brand, also with the attractive price, appears on the shortlist of many buyers. Does this plastic spray dispenser for 800 ml pouches suit your collection or interior?
